Rules for entry

Entry forms for all club games must be on the single sheet attached.

The closing date for entries for the Ray Fullarton 100-Up Handicap is 6pm on Thursday, September 18. The draw will take place at 6pm on that day and the draw will be posted at the club, along with handicaps.

The closing date for all remaining events is 6pm on Saturday, October 19.

The draw for these games will take place at the club at 6pm on Saturday, October 19, and be posted on Facebook, TeamApp and the club noticeboard, and sent by SMS and email (where we have your details).

The dates for club games is fixed, but games may be played before the scheduled date, by mutual agreement. No games will be played after the scheduled date.

(There will be exceptions for Northern Gateway or Bowls Victoria games, and then one week after the set date.)

If a game is not played by the scheduled date then a walkover will be given.

All games except men's and women's club singles will have a \$5 entry fee per player. The fee must be submitted in an envelope with your entry form. Entries that do not include payment will not be accepted.

Team games (i.e. pairs, triples and fours) only require one entry per side, under the skipper's name, along with payment.

There will be no refunds, so please check dates carefully before submitting your entry.
