Whether you're planning a wedding, a corporate event, Christmas party, a birthday to remember, or a social lawn bowls day, we have excellent facilities to offer.

The Flemington and Kensington Bowling Club is an excellent venue for your next event.

The Main Hall Function Room and our Roy Gerbing Room both have large windows that take full advantage of the view out onto our bowling green. We also now have a new outdoor container function area, which is heated and has its own TV screen.

The Club has a fully stocked bar with a wide variety of beverages including Tap Beer which includes some of our local craft breweries and a good selection of bottled beer and canned beer and a nice wine list to top it off. Both rooms are equipped with a large wall mounted flat screen televisions and have an in-house portable sound system.

The Flemington Kensington Bowling Club is a unique venue that is dedicated to making your event special. Our Venue Manager is committed to working with you to ensure your event meets your special needs – whilst remaining very affordable.

In addition the Club welcomes groups who want to celebrate a special event or have a social club event that includes lawn bowls.
